K SERIES

AVOCOR K SERIES DATASHEET

55" | 65" | 75" | 85" | 98"

QLED

OVERVIEW

The Avocor K Series merges QLED technology's superior visual clarity with seamless connectivity features to deliver a corporate range of displays that are ideal for modern workspaces. Designed for versatility across corporate, educational, and public settings, the K Series ranges from 55 to 98 inches, ensuring a perfect match for any space.

With advanced integration capabilities like wireless screen sharing through Montage and digital signage via Rise Vision, the K Series stands as the ultimate choice for organizations aiming to elevate their visual communication and collaboration.

The Avocor K Series encapsulates the future of professional displays, offering unmatched quality, connectivity, and ease of use in one comprehensive solution.

SOLUTION
Highlights

55" - 98"

Complete range of sizes
With sizes ranging from 55" to 98", the K Series ensures a perfect fit for a wide variety of use cases, from small huddle-style meetings to expansive auditoriums, lecture rooms and Town Hall spaces.

4K QLED

Superior Visual Performance
With 4K resolution featuring QLED and HDR, the K Series features stunning visual clarity, ensuring content is vibrant, vivid and engaging.

Stunning Brightness and Colour
450 nits of high brightness and 90% DCI-P3 for brilliant color accuracy, K Series displays are even visible in well-lit areas, with all types of content.

Comprehensive Connectivity
With multiple HDMI ports, USB-A, LAN, and WiFi upport, the K Series is ready for any input source and network configuration, making installation and integration straightforward.

DisplayNote Montage

RISE VISION

DisplayNote Montage x RiseVision
Featuring Montage for seamless wireless sharing and Rise Vision for dynamic digital signage, transforms idle displays into hubs of interactive team collaboration.
